UNAUDITED SALES VOLUME IN APRIL 2020

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group (including the sales volume of LYNK & CO-branded vehicles sold by the Group’s 50%-owned joint venture) for the month of April 2020 was 105,468 units, an increase of approximately 2% from the same period last year and up approximately 44% from March 2020. Of the total sales volume in April 2020, 5,439 units were new energy and electrified vehicles^{Note} (NEEVs). The Group’s exports volume was down around 38% year-on-year to 4,366 units in the month of April 2020. During the month of April 2020, the Group’s total sales volume in the China market was 101,102 units, an increase of around 4% from the same period last year. The total sales volume in the first four months of 2020 was 311,495 units, a decrease of approximately 34% from the same period last year, and achieving 22% of the Group’s full year sales volume target of 1,410,000 units in 2020.

During the month of April 2020, the total sales volumes of sedans, sport utility vehicles (SUVs) and multi-purpose vehicles (MPVs) were 43,067 units, 61,179 units and 1,222 units, respectively.

During the same period, the total sales volume of LYNK & CO-branded vehicles was 10,156 units.

Note: For clarity, the new energy and electrified vehicles only included the electric vehicles (EVs), hybrid electric vehicles (HEVs), mild hybrid electric vehicles (MHEVs) and plug-in hybrid electric vehicles (PHEVs).

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company's auditor and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
