UNAUDITED SALES VOLUME IN SEPTEMBER 2020

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group (including the sales volume of LYNK & CO-branded vehicles sold by the Group’s 50%-owned joint venture) for the month of September 2020 was 126,365 units, an increase of approximately 11% from the same period last year and up approximately 11% from August 2020. Of the total sales volume in September 2020, 6,092 units were new energy and electrified vehicles^{Note} (NEEVs). The Group’s exports volume was up more than twofold year-on-year to 8,068 units in the month of September 2020. During the month of September 2020, the Group’s total sales volume in the China market was 118,297 units, an increase of around 6% from the same period last year. The total sales volume in the first nine months of 2020 was 875,472 units, a decrease of approximately 9% from the same period last year, and achieving 66% of the Group’s revised full year sales volume target of 1,320,000 units in 2020.

During the month of September 2020, the total sales volumes of sedans, sport utility vehicles (SUVs) and multi-purpose vehicles (MPVs) were 43,183 units, 79,633 units and 3,549 units, respectively.

During the same period, the total sales volume of LYNK & CO-branded vehicles was 18,745 units, up around 38% year-on-year and achieving the brand’s record high monthly sales volume.

Note: For clarity, the new energy and electrified vehicles only included the electric vehicles (EVs), hybrid electric vehicles (HEVs), mild hybrid electric vehicles (MHEVs) and plug-in hybrid electric vehicles (PHEVs).

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company's auditor and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
