Geely Automobile Holdings Limited **SALES VOLUME UP 24% YoY IN SEPTEMBER 2007**

(HONG KONG, 10 October 2007)--- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that total sales volume of the Group's four 46.8%-owned associates was 15,898 units in September 2007, up 24% over the same month last year, and up 16% over the previous month. The monthly sales volume in September 2007 was the second best level achieved by the Group so far in 2007. The total sales volume of the four associates in the first nine months of 2007 was 124,931 units, up 4% from the same period in 2006, achieving 66% of the four associates' target sales volume of 190,000 units for 2007.

The spokesman of Geely Automobile said, "The sales performance of the Group's four associates during the month was in line with the recovery trend since June 2007 helped by intensified sales campaign since June 2007 and good response to the upgraded version of "Free Cruiser" launched in September 2007. The sales performance of "Free Cruiser", "Maple" and "Geely Kingkong" models remained encouraging with over 13,000 units of "Free Cruiser", "Maple" and "Geely Kingkong" sold during September 2007. In particular, thanks to the launch of the 2008 version of "Free Cruiser", the monthly sales volume of "Free Cruiser" in September 2007 was over 7,500 units, up over 58% from August 2007. Sales of Maple sedans also improved helped by the delivery of export orders and the good demand for a new low price version of "Marindo" sedans."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Jovian for further information. The sales volume figures released so far in 2007 are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are still preliminary figures and would be subject to changes and final confirmation.
