Geely Automobile Holdings Limited
SALES VOLUME FOR DECEMBER 2014 REACHED 54,962 UNITS
SALES VOLUME DOWN 10% YOY

(HONG KONG, 8 January 2015) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of December 2014 was 54,962 units, a decrease of approximately 10% over the same period last year, but was up approximately 23% from November 2014 and was the Group's highest monthly sales volume in 2014. The Group's exports volume was 5,078 units in December 2014, down around 57% from the same period last year, due to deteriorating political environment in some of the Group's major export countries. During the month of December 2014, the Group's total sales volume in China market was 49,884 units, an increase of around 2% over the corresponding period last year and was the Group's highest domestic monthly sales volume achieved in 2014. The total sales volume for the year of 2014 was 417,851 units, down about 24% year-on-year.

The Spokesman of Geely Automobile said, "During the month of December 2014, the combined sales volume of 'EC7' and the newly launched 'Xindihao' reached a record high of 25,842 units, an increase of about 21% from the same period last year. Of which, the sales volume of newly launched 'Xindihao' was 23,353 units in December 2014, up around 18% from November 2014. The aggregate sales volume of 'GX7', 'SX7' and 'GX9', the Group's Sport Utility Vehicles (SUVs) was 5,125 units in December 2014, a decrease of about 33% from the corresponding period last year. The Group launched a new version of 'Vision' sedan in November 2014, helping to drive the total sales volume of 'Vision' to 8,470 units in December 2014, up around 97% from November 2014."

The Board set the Group's sales volume target for the year of 2015 at 450,000 units, representing an increase of around 8% over 2014.

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
