Geely Automobile Holdings Limited
SALES VOLUME FOR SEPTEMBER 2014 REACHED 39,019 UNITS
SALES VOLUME DOWN 9% YOY

(HONG KONG, 9 October 2014) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of September 2014 was 39,019 units, a decrease of approximately 9% over the same period last year, but was up approximately 41% from August 2014. The Group's exports volume was 4,677 units in September 2014, down around 45% from the same period last year, due to deteriorating political environment in the Group's major export countries like Russia, Ukraine and the Middle East. During the month of September 2014, the Group's total sales volume in China market was 34,342 units, about the same level the Group achieved in the corresponding period last year and has been the best level achieved so far this year. The total sales volume in the first nine months of 2014 was 274,115 units, down about 27% from the same period last year and achieving 64% of the revised full year sales volume target of 430,000 units in 2014.

The Spokesman of Geely Automobile said, "During the month of September 2014, the combined sales volume of 'EC7' and the newly launched 'Xindihao' was 17,952 units, an increase of about 19% from the same period last year, representing about 46% (versus an average of 34% in the first eight months of 2014) of the total sales volume of the Group. Of which, the sales volume of newly launched "Xindihao" was 13,794 units in September 2014, up around 92% from August 2014 and representing a substantial increase in a row since its launch in late July 2014. The aggregate sales volume of 'GX7' and 'SX7', the Group's Sport Utility Vehicles (SUVs) was 5,766 units in September 2014, about the same level the Group achieved in the corresponding period last year.

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
