The Group's exports volume was down around 35% year-on-year to 2,691 units in July 2015, due to the uncertain political and economic environment in some of the Group's major export markets. The overall sales volume in the first seven months of 2015 was 281,685 units, up about 36% from the same period last year and achieving 63% of the full year sales volume target of 450,000 units in 2015.

The Spokesman of Geely Automobile said, "During the month of July 2015, the combined sales volume of 'EC7' and 'New Emgrand' was 11,373 units, a significant increase of about 107% from the same period last year. The aggregate sales volume of 'GX7', 'SX7' and 'GX9', the Group's Sport Utility Vehicles (SUVs), was 3,514 units in the month of July 2015, a decrease of about 12% from the corresponding period last year. The combined sales volume of 'Vision' sedan and its new version was 5,579 units in the month of July 2015, more than fivefold increase when compared with the same period last year. The Group's newly-launched 'Geely GC9', its latest B-segment sedan, achieved a sales volume of 3,201 units in July 2015, an increase of around 16% from previous month."
