SALES VOLUME UP 67% YOY

(HONG KONG, 14 February 2013) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of January 2013 reached another record high of 63,532 units, an increase of approximately 67% over the same period last year and up approximately 7% from December 2012. The Group's exports volume was over 8,400 units in January 2013. The Group's sales volume in the China market continued to recover strongly, achieving around 67% increase from the same period last year to over 55,000 units in January 2013.

The Spokesmen of Geely Automobile said, "During the month of January 2013, the Group's sale volumes under 'Emgrand', 'Englon' and 'GLEagle' brands were 20,318 units, 20,732 units and 22,482 units, respectively. The sales volume of GX7 and SX7, the Group's Sport Utility Vehicles (SUVs), again reached another record high of 7,306 units in January 2013."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released so far are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are still preliminary figures and would be subject to changes and final confirmation.
