**Geely Automobile Holdings Limited**  
**SALES VOLUME FOR JULY 2012 REACHED 28,322 UNITS**  
**SALES VOLUME UP 30% YOY**

(HONG KONG, 10 Aug 2012) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of July 2012 was 28,322 units, an increase of approximately 30% over the same period last year, but was down approximately 18% from June 2012 due to seasonal reasons. The total sales volume in the first seven months of 2012 was 250,712 units, up approximately 7% from the same period last year and achieving approximately 55% of the 2012 full year sales volume target of 460,000 units. The Group's exports sales remained strong during the period. Its export volume was maintained at over 10,000 units in July 2012.

The Spokesmen of Geely Automobile said, "During the month of July 2012, the Group's sale volumes under 'Emgrand', 'Englon' and 'GLEagle' brands were 9,581 units, 8,327 units and 10,414 units, respectively."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released so far are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are still preliminary figures and would be subject to changes and final confirmation.
